

Starting your professional journey can be both exhilarating and daunting. At LifeWorks, we recognize the unique challenges and aspirations of new graduates practicing for the first time. Here, we've curated an environment tailored to foster your growth, instill confidence, and pave the way for a promising, long-lasting future in mental health.

## Provisionally Licensed Therapists - Join Our Team

### What We Offer

#### Balanced Caseloads

We understand the trepidation of high caseload numbers for fresh graduates. At LifeWorks, we prioritize balance, ensuring you're equipped to handle your responsibilities without feeling overwhelmed.

#### Cohesive Community

Dive into a vibrant community of diverse professionals where every member, from seasoned experts to fresh faces, collaborates, and thrives on shared experiences and knowledge.

#### Committed to Your Growth and Education

We offer no-cost CEU opportunities to ensure you have the necessary tools to stay abreast of the latest in patient care. We champion your thirst for knowledge and support your pursuit of excellence.

#### Competitive Compensation

Location shouldn't dictate your worth. We offer competitive starting salaries and benefit packages, emphasizing your value and the critical role you play in our vision.

#### Guided Supervision

Embark with confidence knowing you have board-approved supervision as you pursue licensure, free of charge. As you navigate the path to licensure, we're right beside you, ensuring every step is a leap towards excellence.

At LifeWorks, we're not just shaping the future of mental health care; we're shaping your future. Embrace the journey, fortified with the best tools, guidance, and opportunities available.
