What We Offer

Caseload Control

We recognize the importance of manageable caseloads. At Nystrom, you're empowered to shape your own caseload while benefiting from a plethora of external referral sources. Your professional autonomy is paramount.

Committed to Your Growth and Education

We offer no-cost CEU opportunities to ensure you have the necessary tools to maintain your licensure and stay abreast of the latest in patient care. We champion your thirst for knowledge and support your pursuit of excellence.

Crafting Lasting Impact

We believe that every therapist has the potential to change lives. With Nystrom, you have the platform, the support, and the tools to make a lasting difference, one session at a time.

Fulfilling & Feasible

While the nature of therapy often demands high caseloads, we endeavor to strike the perfect balance. Our focus remains on ensuring the well-being of both our therapists and their clients.

Team Dynamics & Referrals

Our internal network of resources means more comprehensive care for your clients and seamless referral opportunities for you. It's not just about treating symptoms—it's about providing a holistic care journey.

With Nystrom & Associates, you're not merely practicing therapy—you're helping to shape the fabric of compassionate, holistic, and quality mental health care in your community. We champion your passion, celebrate your expertise, and are committed to ensuring a journey that's both fulfilling and sustainable.
