

Embark on a rewarding path with one of the largest behavioral health organizations in the country. With more than three decades serving patients, we not only understand the nuances of being a Licensed Alcohol & Drug Counselor but also celebrate the profound impact you bring to the realm of addiction recovery. Here, our core values resonate with your aspirations, ensuring an enriching experience on every front.

LADCs and ADC-Ts - Join Our Team

What We Offer

Collaborative Environment

You'll work alongside peer support specialists, Suboxone providers, therapists, psychiatrists, and others to ensure patients receive comprehensive integrated care

Flexible Schedule

We offer flexibility to fit your needs, with options for a 40-hour workweek (5 days or 4-10 hour days) or a 32-hour schedule for the right candidate. Day and evening hours are available. In-person and virtual/remote positions are available

Focus on Person-Centered Care

We strive to build hope, holistic well-being, and healing through an individually tailored treatment partnership that values science-based best practices, inclusivity, healthy relationships, and community engagement in which people are empowered to become the best version of themselves

Supportive Work Environment

Your well-being matters. We provide free supervision, professional development opportunities, and access to resources to help you excel in your role

Be Valued

We believe in open communication and fostering your unique talents, goals, and skills at work and at home while recognizing and celebrating the richness of cultural diversity within our team

With Nystrom & Associates, you'll play a vital role in our multidisciplinary team, helping individuals overcome addiction and build a brighter future. We champion your passion, celebrate your expertise, and are committed to ensuring a journey that's both fulfilling and sustainable.
